THE PRODUCT CONFIGURATOR FROM FEINWERKBAU

For some of our models, please use our product configurator to determine the order number. This will give you a quick overview of all the options available and make it easy for you to identify the order number required.

IT'S AS SIMPLE AS THAT:

- Choose your favorite from all available options.
- Complete the article number of your desired model step by step.
- Consider the additional or reduced prices of your chosen option.
- Order your sports gun with the complete order number.

The following options are available for selection - depending on the desired model:

SYSTEM VARIANT

Here you can decide on which side the cocking lever of your desired model is mounted. Our tip: For convenient reloading, benchrest shooters can order a left-hand system in the right-hand stock. You can also select a lighter aluminum barrel sleeve for some models. This option reduces the overall weight of the rifle by ~ 350 grams.

COLOR

You can choose from our standard silver or black colors and 13 custom colors for an additional charge. You can also choose a shortened buttstock for some models.

NUMBER OF BUTTSTOCKS

With the 2800 Alu X-Change model, you can define the number of buttstocks (including grip, cheek piece and butt plate) you require here.

VERSION

For the P 8X and P 85 models, this option allows you to choose whether you want a freehand pistal or whether you want to order the benchrest fork for benchrest shooting straight from the factory.

GRIP / ATTACHMENTS

Here you can select your desired grip size and whether you want grip and cheek piece made of beech wood with black grip lacquer and the hand rest made of Aluminuim (series) or in the version with grid structure „MeshPro". Furthermore, for the 900 Alu benchrest model, you can choose whether you want the grip bar (art. no. 3.2.226.580) in addition to the beech wood support bar for even more comfortable positioning of the support hand.

SIGHTS

Choose between the Feinwerkbau standard sights or the Centra „SPY" diopter (or „SPY BR" in the benchrest version) and the „Centra Score" front sight tunnel (or „Centra Score Plus" in the benchrest version) or order your model without sights.

BARREL LENGTH

We offer our P 8X and P 85 air pistols with two different barrel lengths. Here you can choose whether you want the standard barrel length or the shortened version.

ANZAHL MAGAZINE

With the P 85 model, the number of additional 5-round or 1-round/training magazines can be chosen.

The product configurator is available for the following models:

- 900 ALU
- 900 W
- 900 ALU - BENCHREST
- 900 W - BENCHREST

MODEL 800 JUNIOR

Compressed air rifle model 800 Junior (cal. 4.5 mm / .177, E < 7.5 joules) | with internal absorber | barrel jacket made of aluminum | match rear sight (swiveling, 20 click) | T-slot rail | 1 compressed air cylinder with integrated pressure gauge (filling pressure max. 200 bar) | filling adapter | drain screw | laminated wood stock with height-adjustable cheek piece and Eco-line butt plate | delivered in a lockable transport case with combination lock [Total weight approx. 3.5 kg]

Item no.	Article description	RRP in EURO incl. 19 % VAT
3.2.261	Compressed air rifle, Model 800 Junior, laminated wood red/white, ambidextrous, cal. 4.5mm/.177, [E <7,5 Joule], incl. transport case with combination lock	2.139,00
3.2.268	Compressed air rifle, Model 800 Junior, laminated wood blue/dark grey, ambidextrous, cal. 4.5mm/.177, [E <7,5 Joule], incl. transport case with combination lock	2.139,00

MODEL 800 BASIC

Compressed air rifle model 800 Basic (cal. 4.5 mm / .177, E < 7.5 joules) | with internal absorber | match rear sight (swivel, 20 click) | T-slot rail | 1 compressed air cylinder with integrated pressure gauge (filling pressure max. 200 bar) | filling adapter | drain screw | beech wood stock with height-adjustable plastic cheek piece and Eco-line butt plate | supplied in a lockable transport case with combination lock [Total weight approx. 3.9 kg]

Item no.	Article description	RRP in EURO incl. 19 % VAT
3.2.258	Compressed air rifle, Model 800 Basic, with stock right/left, cal. 4.5mm/.177, [E <7,5 Joule], incl. transport case with combination lock	2.059,00

MODEL 800 X - BENCHREST

Compressed air rifle model 800 X Benchrest (cal. 4.5 mm / .177, E < 7.5 Joule) | with internal absorber | match rear sight (swiveling, 20 click) | including vario sights | T-slot rail | 1 compressed air cylinder with integrated pressure gauge (filling pressure max. 200 bar) | filling adapter | drain screw | double-lockable aluminum stock with adjustable and raised cheek piece and adjustable X-line butt plate | infinitely tiltable beechwood support rail | delivered in a lockable transport case with combination lock
[Total weight approx. 5.0 kg]

Item no.	Article description	RRP in EURO incl. 19 % VAT
3.2.226	Compressed air rifle, Model 800 X, alu stock for shooting on a rest, right, grip size M, cal. 4.5mm/.177, [E<7,5 Joule], (grip, lower stock support and cheek piece made of walnut) incl. transport case with combination lock	4.165,00
3.2.227	Compressed air rifle, Model 800 X, alu stock for shooting on a rest, left, grip size M, cal. 4.5mm/.177, [E<7,5 Joule], (grip, lower stock support and cheek piece made of walnut) incl. transport case with combination lock	4.165,00
3.2.228	Compressed air rifle, Model 800 X, alu stock for shooting on a rest, right, grip size S, cal. 4.5mm/.177, [E<7,5 Joule], (grip, lower stock support and cheek piece made of walnut) incl. transport case with combination lock	4.165,00
3.2.229	Compressed air rifle, Model 800 X, alu stock for shooting on a rest, left, grip size S, cal. 4.5mm/.177, [E<7,5 Joule], (grip, lower stock support and cheek piece made of walnut) incl. transport case with combination lock	4.165,00
3.2.230	Compressed air rifle, Model 800 X, alu stock for shooting on a rest, right, grip size L, cal. 4.5mm/.177, [E<7,5 Joule], (grip, lower stock support and cheek piece made of walnut) incl. transport case with combination lock	4.165,00
3.2.231	Compressed air rifle, Model 800 X, alu stock for shooting on a rest, left, grip size L, cal. 4.5mm/.177, [E<7,5 Joule], (grip, lower stock support and cheek piece made of walnut) incl. transport case with combination lock	4.165,00
3.2.310	Compressed air rifle, Model 800 X, alu stock for shooting on a rest, right, grip size M, cal. 4.5mm/.177, [E<7,5 Joule], (grip, lower stock support and cheek piece black) incl. transport case with combination lock	4.165,00
3.2.311	Compressed air rifle, Model 800 X, alu stock for shooting on a rest, left, grip size M, cal. 4.5mm/.177, [E<7,5 Joule], (grip, lower stock support and cheek piece black) incl. transport case with combination lock	4.165,00
3.2.312	Compressed air rifle, Model 800 X, alu stock for shooting on a rest, right, grip size S, cal. 4.5mm/.177, [E<7,5 Joule], (grip, lower stock support and cheek piece black) incl. transport case with combination lock	4.165,00
3.2.313	Compressed air rifle, Model 800 X, alu stock for shooting on a rest, left, grip size S, cal. 4.5mm/.177, [E<7,5 Joule], (grip, lower stock support and cheek piece black) incl. transport case with combination lock	4.165,00
3.2.314	Compressed air rifle, Model 800 X, alu stock for shooting on a rest, right, grip size L, cal. 4.5mm/.177, [E<7,5 Joule], (grip, lower stock support and cheek piece black) incl. transport case with combination lock	4.165,00
3.2.315	Compressed air rifle, Model 800 X, alu stock for shooting on a rest, left, grip size L, cal. 4.5mm/.177, [E<7,5 Joule], (grip, lower stock support and cheek piece black) incl. transport case with combination lock	4.165,00

MODEL 800 W - BENCHREST

Compressed air rifle model 800 W Benchrest (cal. 4.5 mm / .177, E < 7.5 Joule) | with internal absorber | match rear sight (swiveling, 20 click) | including vario sights | T-slot rail | 1 compressed air cylinder with integrated pressure gauge (filling pressure max. 200 bar) | filling adapter | drain screw | stock made of walnut wood or orange laminated wood with adjustable and raised cheek piece and adjustable X-line butt plate | infinitely adjustable beech wood support rail | supplied in a lockable transport case with combination lock [Total weight approx. 5.2 kg]

Item no.	Article description	RRP in EURO incl. 19 % VAT
3.2.350	Compressed air rifle, Model 800 W, wooden stock for shooting on a rest, walnut, right, grip size M, cal. 4,5mm/.177, [E <7,5 Joule], incl. transport case with combination lock	4.165,00
3.2.351	Compressed air rifle, Model 800 W, wooden stock for shooting on a rest, walnut, left, grip size M, cal. 4,5mm/.177, [E <7,5 Joule], incl. transport case with combination lock	4.165,00
3.2.352	Compressed air rifle, Model 800 W, wooden stock for shooting on a rest, walnut, right, grip size S, cal. 4,5mm/.177, [E <7,5 Joule], incl. transport case with combination lock	4.165,00
3.2.353	Compressed air rifle, Model 800 W, wooden stock for shooting on a rest, walnut, left, grip size S, cal. 4,5mm/.177, [E <7,5 Joule], incl. transport case with combination lock	4.165,00
3.2.354	Compressed air rifle, Model 800 W, wooden stock for shooting on a rest, walnut, right, grip size L, cal. 4,5mm/.177, [E <7,5 Joule], incl. transport case with combination lock	4.165,00
3.2.355	Compressed air rifle, Model 800 W, wooden stock for shooting on a rest, walnut, left, grip size L, cal. 4,5mm/.177, [E <7,5 Joule], incl. transport case with combination lock	4.165,00
3.2.360	Compressed air rifle, Model 800 W, wooden stock for shooting on a rest, grip lacquer black, right, grip size M, cal. 4,5mm/.177, [E <7,5 Joule], incl. transport case with combination lock	4.165,00
3.2.361	Compressed air rifle, Model 800 W, wooden stock for shooting on a rest, grip lacquer black, left, grip size M, cal. 4,5mm/.177, [E <7,5 Joule], incl. transport case with combination lock	4.165,00
3.2.362	Compressed air rifle, Model 800 W, wooden stock for shooting on a rest, grip lacquer black, right, grip size S, cal. 4,5mm/.177, [E <7,5 Joule], incl. transport case with combination lock	4.165,00

3.2.321	Compressed air rifle, Model 800 Alu, alu stock for shooting on a rest, left, grip size M, black, cal. 4.5mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.589,00
3.2.322	Compressed air rifle, Model 800 Alu, alu stock for shooting on a rest, right, grip size S, black, cal. 4.5mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.589,00
3.2.323	Compressed air rifle, Model 800 Alu, alu stock for shooting on a rest, left, grip size S, black, cal. 4.5mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.589,00
3.2.324	Compressed air rifle, Model 800 Alu, alu stock for shooting on a rest, right, grip size L, black, cal. 4.5mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.589,00
3.2.325	Compressed air rifle, Model 800 Alu, alu stock for shooting on a rest, left, grip size L, black, cal. 4.5mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.589,00
3.2.326	Compressed air rifle, Model 800 Alu, alu stock for shooting on a rest, right, grip size M, laminated wood red, cal. 4.5mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.589,00
3.2.327	Compressed air rifle, Model 800 Alu, alu stock for shooting on a rest, left, grip size M, laminated wood red, cal. 4.5mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.589,00
3.2.328	Compressed air rifle, Model 800 Alu, alu stock for shooting on a rest,right, grip size S, laminated wood red, cal. 4.5mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.589,00
3.2.329	Compressed air rifle, Model 800 Alu, alu stock for shooting on a rest, left, grip size S, laminated wood red, cal. 4.5mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.589,00
3.2.330	Compressed air rifle, Model 800 Alu, alu stock for shooting on a rest, right, grip size L, laminated wood red, cal. 4.5mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.589,00
3.2.331	Compressed air rifle, Model 800 Alu, alu stock for shooting on a rest, left, grip size L, laminated wood red, cal. 4.5mm/.177, [E <7,5 Joule], incl. transport case with combination lock	3.589,00

MODEL 800 BASIC - BENCHREST

Compressed air rifle model 800 Basic edition (cal. 4.5 mm/.177, E < 7.5 Joule) | with internal absorber | match diopter (swiveling, 20 click) | including sighting line elevation and elevated front sight tunnel | 1 compressed air cylinder with integrated pressure gauge (filling pressure max. 200 bar) | filling adapter | drain screw | stock made of beech wood with height-adjustable, raised and extended cheek piece made of beech wood | infinitely tiltable support bar made of beech wood | delivered in a lockable transport case with combination lock [Total weight approx. 4.1 kg]

Item no.	Article description	RRP in EURO incl. 19 % VAT
3.2.260	Compressed air rifle, Model 800 Basic for Shooting on a rest, with stock right/left, with swiveling lower stock support, [E <7,5 Joule]	2.555,00

MODEL 800 X - HYBRID

Compressed air rifle model 800 X Hybrid (cal. 4.5 mm/.177, E < 7.5 joules) | with internal absorber | match rear sight (swivel, 20 click) | including vario sights | T-slot rail | 1 compressed air cylinder with integrated pressure gauge (filling pressure max. 200 bar) | filling adapter | drain screw | double-lockable aluminum stock with adjustable and raised cheek piece and adjustable X-line butt plate | „Hybrid" hand rest | infinitely adjustable aluminum rest rail | supplied in a lockable transport case with combination lock [Total weight approx. 5.0 kg]

Item no.	Article description	RRP in EURO incl. 19 % VAT
3.2.380	Compressed air rifle, Model 800 X "Hybrid", alu stock, right, black/silver, grip size M, cal. 4.5mm/.177, [E <7,5 Joule], (with special hand-rest and lower stock support) incl. transport case with combination lock	4.049,00
3.2.381	Compressed air rifle, Model 800 X "Hybrid", alu stock, left, black/silver, grip size M, cal. 4.5mm/.177, [E <7,5 Joule], (with special hand-rest and lower stock support) incl. transport case with combination lock	4.049,00
3.2.382	Compressed air rifle, Model 800 X "Hybrid", alu stock, right, black/silver, grip size S, cal. 4.5mm/.177, [E <7,5 Joule], (with special hand-rest and lower stock support) incl. transport case with combination lock	4.049,00
3.2.383	Compressed air rifle, Model 800 X "Hybrid", alu stock, left, black/silver, grip size S, cal. 4.5mm/.177, [E <7,5 Joule], (with special hand-rest and lower stock support) incl. transport case with combination lock	4.049,00
3.2.384	Compressed air rifle, Model 800 X "Hybrid", alu stock, right, black/silver, grip size L, cal. 4.5mm/.177, [E <7,5 Joule], (with special hand-rest and lower stock support) incl. transport case with combination lock	4.049,00
3.2.385	Compressed air rifle, Model 800 X "Hybrid", alu stock, left, black/silver, grip size L, cal. 4.5mm/.177, [E <7,5 Joule], (with special hand-rest and lower stock support) incl. transport case with combination lock	4.049,00
3.2.390	Compressed air rifle, Model 800 X "Hybrid", alu stock, right, laminated wood red, grip size M, cal. 4.5mm/.177, [E <7,5 Joule], (with special hand-rest and lower stock support) incl. transport case with combination lock	4.049,00
3.2.391	Compressed air rifle, Model 800 X "Hybrid", alu stock, left, laminated wood red, grip size M, cal. 4.5mm/.177, [E <7,5 Joule], (with special hand-rest and lower stock support) incl. transport case with combination lock	4.049,00
3.2.392	Compressed air rifle, Model 800 X "Hybrid", alu stock, right, laminated wood red, grip size S, cal. 4.5mm/.177, [E <7,5 Joule], (with special hand-rest and lower stock support) incl. transport case with combination lock	4.049,00
3.2.393	Compressed air rifle, Model 800 X "Hybrid", alu stock, left, laminated wood red, grip size S, cal. 4.5mm/.177, [E <7,5 Joule], (with special hand-rest and lower stock support) incl. transport case with combination lock	4.049,00
3.2.394	Compressed air rifle, Model 800 X "Hybrid", alu stock, right, laminated wood red, grip size L, cal. 4.5mm/.177, [E <7,5 Joule], (with special hand-rest and lower stock support) incl. transport case with combination lock	4.049,00
3.2.395	Compressed air rifle, Model 800 X "Hybrid", alu stock, left, laminated wood red, grip size L, cal. 4.5mm/.177, [E <7,5 Joule], (with special hand-rest and lower stock support) incl. transport case with combination lock	4.049,00

MODEL 800 W - HYBRID

Compressed air rifle model 800 W Hybrid (cal. 4.5 mm / .177, E < 7.5 joules) | with internal absorber | match rear sight (swivel, 20 click) | including vario sights | T-slot rail | 1 compressed air cylinder with integrated pressure gauge (filling pressure max. 200 bar) | filling adapter | drain screw | walnut or plywood stock orange laminated wood with adjustable and raised cheek piece and adjustable butt plate X-line including weight wedge | „Hybrid" hand rest | infinitely adjustable aluminum support bar | delivered in a lockable transport case with combination lock [Total weight approx. 4.9 kg]

Item no.	Article description	RRP in EURO incl. 19 % VAT
3.2.400	Compressed air rifle, Model 800 W "Hybrid", wooden stock, walnut, right, grip size M, cal. 4.5mm/.177, [E <7,5 Joule], (with special hand-rest and lower stock support) incl. transport case with combination lock	4.049,00
3.2.401	Compressed air rifle, Model 800 W "Hybrid", wooden stock, walnut, left, grip size M, cal. 4.5mm/.177, [E <7,5 Joule], (with special hand-rest and lower stock support) incl. transport case with combination lock	4.049,00
3.2.402	Compressed air rifle, Model 800 W "Hybrid", wooden stock, walnut, right, grip size S, cal. 4.5mm/.177, [E <7,5 Joule], (with special hand-rest and lower stock support) incl. transport case with combination lock	4.049,00
3.2.403	Compressed air rifle, Model 800 W "Hybrid", wooden stock, walnut, left, grip size S, cal. 4.5mm/.177, [E <7,5 Joule], (with special hand-rest and lower stock support) incl. transport case with combination lock	4.049,00
3.2.404	Compressed air rifle, Model 800 W "Hybrid", wooden stock, walnut, right, grip size L, cal. 4.5mm/.177, [E <7,5 Joule], (with special hand-rest and lower stock support) incl. transport case with combination lock	4.049,00
3.2.405	Compressed air rifle, Model 800 W "Hybrid", wooden stock, walnut, left, grip size L, cal. 4.5mm/.177, [E <7,5 Joule], (with special hand-rest and lower stock support) incl. transport case with combination lock	4.049,00

MODEL 800 ALU - HYBRID

Compressed air rifle model 800 Alu Hybrid (cal. 4.5 mm / .177, E < 7.5 joules) | with internal absorber | match rear sight (swivel, 20 click) | including vario sights | T-slot rail | 1 compressed air cylinder with integrated pressure gauge (filling pressure max. 200 bar) | filling adapter | drain screw | aluminum stock with adjustable and raised cheek piece and adjustable X-line butt plate | „Hybrid" hand rest | infinitely adjustable aluminum rest rail | delivered in a lockable transport case with combination lock [Total weight approx. 4.9 kg]
